# Services at IHS

## Compounding & Wellness

**East Georgia Compounding and Wellness**, located within IHS, specializes in dosage forms that are tailored made for each patient concentrating on, but not limited to, BHRT (Bio-Identical Hormones), Pain Management for Hospice, Veterinary Products, and Thyroid.

## Simplify My Meds Program

Simplify My Meds helps coordinate all of a patient's prescriptions to be refilled on the same day each month, offering patients the convenience of a single trip to the pharmacy each month. By doing so, it increases medication adherence and streamlines pharmacy operations.

**Simplify My Meds**™

## Advanced Dispensation Pharmacy

IHS offers next-generation technology in pill dispensing automation with **Parata**. Parata offers a premier line of high-speed automation solutions that ensure accuracy and maximize efficiency when filling prescriptions.

We offer the highest levels of safety and accuracy available while increasing focus on customer service and decreasing wait time.
